

Dear Grandma and Grandpa,

We have some wonderful news to share that fills our hearts with joy. We are thrilled to announce that we are officially welcoming a new member into our family through adoption! Your love and support have always been a guiding light in our lives, and we are so grateful to share this special journey with you. We can't wait for you to shower our little one with the same warmth and kindness you've always given us. Thank you for being such amazing grandparents. We love you!
