When we first met [Child's Name], it was as if a missing piece of our hearts was finally found. They have brought so much joy and laughter into our lives and taught us new meanings of family and togetherness. The love we have for them knows no bounds, and we cannot imagine our lives without them.

We are incredibly grateful for all the support we've received throughout this process--from social workers, family, friends, and the community. Each step has reaffirmed our commitment to providing a loving, nurturing, and stable home for [Child's Name].

Your Honor, it is with profound joy and unwavering dedication that we seek your approval to complete this adoption. We promise to continue cherishing, supporting, and nurturing [Child's Name] throughout their life, guiding them in love and compassion.

Thank you for considering our plea to make our family whole under the eyes of the law. We are ready to give [Child's Name] all the love and security they deserve, every single day.

Thank you.
