

Ladies and gentlemen,

Thank you for joining us today. As we gather here, I invite you to reflect on the transformative journey of fostering to adopt. This journey is not just about providing a home; it is about nurturing growth, both for the child and ourselves.

Every child placed in our care brings with them a unique story and potential waiting to be realized. As we offer them stability, love, and understanding, we too grow in compassion, patience, and wisdom. Embracing the foster to adopt path is about planting seeds of hope and nurturing dreams--even when the future seems uncertain.

Together, let's commit to this journey, recognizing that in opening our hearts and homes, we not only change their lives, but enrich our own in ways we never imagined. Thank you for embarking on this beautiful path of mutual growth and discovery.

Thank you.
