

Hello everyone,

Thank you for being here today. We are gathered to celebrate the beautiful journey of open adoption--a path that connects families with love and understanding.

Open adoption is about creating a bond that goes beyond traditional boundaries. It brings together birth families and adoptive families, ensuring that a child grows up surrounded by love, history, and a sense of belonging.

In this process, we embrace open hearts and open communication. It's a partnership where everyone works together for the best interests of the child. This connection allows children to know their stories, understand their heritage, and feel the unconditional support of both families.

Today, we honor the courage, compassion, and commitment of everyone involved in open adoption. It's a journey that shows us the true meaning of family--one that's built on trust, respect, and a shared commitment to nurture and celebrate the lives of our children.

Thank you for being part of this amazing adventure. Together, we create loving connections that last a lifetime.
