

Ladies and gentlemen,

Thank you all for being here today. We stand together at the beginning of a beautiful journey -- the journey of open adoption. This path is built on love, trust, and the hope of creating a brighter future for everyone involved.

Open adoption isn't just a choice; it's a promise. It's a promise to honor the past, embrace the present, and dream of the future. To the birth parents, we recognize your courage and selflessness. You have chosen a path of love, and we are so grateful for the opportunity to be a part of your child's life. To the adoptive parents, your willingness to open your hearts and home sings of your boundless generosity and strength. And to the children, you are at the center of our hearts; you are our future.

Today, we celebrate the connections that will bloom and flourish, relationships that will nurture and sustain this new and extended family. Our hopeful hearts are filled with the expectation of shared celebrations, laughter, and the inevitable growth that accompanies life's journey.

As we move forward, let us embrace each moment, communicate openly, and cherish the bonds we form. Together, we are creating a tapestry of family rich with diversity and love. Here's to a future filled with hope, happiness, and endless possibilities for all.

Thank you.
