

Good afternoon, everyone,

Today, as we gather to celebrate the beautiful journey of open adoption, I am filled with gratitude and reflection. Open adoption is a testament to love, courage, and connection.

To the birth parents, thank you for your selflessness and bravery. Your decision to entrust your child to another family is a profound act of love and deserves our utmost respect and admiration.

To the adoptive parents, your open hearts and willingness to embrace open adoption create a bridge that honors every part of your child's identity and heritage.

And to the children, you are the heart of this journey. May you always know how deeply you are loved by everyone involved.

Open adoption weaves a tapestry of love and connection, reminding us that family is not defined solely by blood, but by the bonds we nurture and cherish.

Thank you all for being part of this incredible journey. Together, we celebrate the spirit of openness, unity, and endless love.

Thank you.
