

Ladies and gentlemen, family and friends,

Today marks a truly special occasion in our lives. We are gathered here to celebrate not only a legal adoption but the deepening of bonds that have already brought us so much joy and happiness.

[Child's name], from the moment you came into my life, you have brought an immeasurable amount of love, laughter, and light. Although we may not share the same blood, we share something even more important: a profound connection and a promise of forever. You have given me the privilege to be more than just a step-parent. Today, I choose, with all my heart, to be your parent.

I promise to support you through life's challenges and celebrate your achievements. I promise to listen, to care, to guide, and most importantly, to love you unconditionally. Together with [Spouse's name], we will build a home filled with warmth, understanding, and endless love. To our family and friends, thank you for being here to support us on this joyous day. Your love and encouragement make our journey even more meaningful.

[Child's name], I am honored and overjoyed to be a part of your life, and I look forward to every moment we will share as family. I love you, now and always.

Thank you.
