

Ladies and gentlemen,

I stand before you today with a heart overflowing with gratitude and joy. The journey of international adoption has been transformative for our family, and I am deeply thankful for the support and love from everyone who has been part of this incredible process.

Our family has grown in ways we could have never imagined, not just in number but in love and understanding. To our child's birth family, thank you for your courage and faith in giving us the greatest gift--the chance to nurture and love your child. We promise to honor that trust every day. To the adoption agency and all the wonderful individuals who guided us through this journey, your dedication and compassion have been a beacon of hope and strength. Your work has not only changed our lives but has united us with our child from across the globe.

To our friends and family who have stood by us, your unwavering support has lifted us through every challenge. We are eternally grateful for your love and encouragement.

Finally, to our beautiful child, we are so blessed to have you as part of our family. You have brought us boundless happiness and taught us more about love than we ever thought possible. We promise to cherish and support you always.

Thank you all for being part of our journey. Together, we celebrate the extraordinary gift of family that knows no borders.

With deepest gratitude,
