

Your Honor,

Today is a day filled with hope and joy for our family. We've all gathered here to celebrate a moment we have dreamed about for a long time. We stand before you to officially welcome [Child's Name] as a permanent and cherished member of our family.

From the moment [Child's Name] came into our lives, our hearts have expanded in ways we never knew possible. We have shared laughter, comforted through tears, and built a foundation of love forged by patience and understanding. [Child's Name] has brought light and happiness into our home, and we cannot imagine our lives without this incredible soul.

We pledge to provide the love, support, and guidance that [Child's Name] needs to grow and thrive. We promise to honor, respect, and nurture this precious child, today and every day. Our commitment is steadfast, and our love knows no bounds.

Thank you, Your Honor, for allowing us to make this lifelong commitment. We are overjoyed to finally call [Child's Name] our son/daughter.

Thank you.
