

Ladies and gentlemen,

Today, we stand together united by hope and resilience. The path before us may be challenging, but within each of us lies the strength to rebuild, not just structures, but also dreams and futures.

Every brick laid and every effort made is a step toward a brighter tomorrow. We are not merely restoring what was lost, but creating something better, something stronger. Each of you plays a vital role in this journey, and together, we will rise.

Let us support one another, lend a hand, and share our courage. The future we build will be a testament to our perseverance and our unwavering belief in a better tomorrow.

Together, we will rebuild not just homes, but hope. Let's move forward with determination and faith.

Thank you.
