

Dear Scholarship Committee,

Thank you for considering my application for your scholarship. While I am disappointed to learn that I was not selected as a recipient, I am grateful for the opportunity to apply and for the valuable experience this process has provided.

I understand that many qualified candidates were vying for this opportunity, and I respect the difficult decisions the committee had to make. This experience has reinforced my dedication to my academic and career goals, and I remain committed to pursuing them with even greater determination.

Thank you once again for your consideration, and I wish the selected recipients all the best in their future endeavors.

Sincerely,
