

Dear Admissions Committee,

I hope this message finds you well. I recently received notice that I have not been accepted into [College Name]. While this was not the outcome I had hoped for, I understand the selection process is highly competitive, and I respect the decision made.

I am grateful for the opportunity to apply and appreciate the time and effort of the admissions team in reviewing my application. This experience has been a valuable part of my journey, and I plan to use it constructively as I explore other avenues for my education.

Thank you once again for considering my application. Wishing you all the best in the upcoming academic year.

Warm regards,

[Your Name]
