

Ladies and gentlemen,

Thank you for taking the time to consider my application for the grant. I have received your decision, and although I am disappointed not to have been selected at this stage, I remain deeply committed to the vision and goals of my project.

Your feedback is invaluable, and I will use it to refine my approach, ensuring that future submissions are even more compelling. This is not the end of the road, but rather a motivation to work harder and prove the potential of my project.

I am determined to continue pursuing funding opportunities and look forward to the possibility of collaborating with your organization in the future.

Thank you once again for your consideration.

Sincerely,

[Your Name]
