

Ladies and gentlemen,

Thank you for considering us for this partnership opportunity. We genuinely appreciate the offer and the confidence you have shown in our company. Your proposal reflects a shared vision and we are grateful for the opportunity to explore potential collaboration.

However, after careful consideration, we have decided to respectfully decline this offer. This decision was not made lightly, and it purely comes down to our current strategic goals and commitments, which unfortunately do not align with new partnerships at this moment.

We are truly grateful for the chance to learn more about your impressive work and hope there might be room for collaboration in the future. Thank you once again for thinking of us as potential partners.

Wishing you continued success,
