

Good evening, members of the board,

First and foremost, I would like to express my deepest gratitude for the opportunity to be considered for membership. It's truly been an honor to engage with each of you throughout this process. Although I have been informed that I was not selected to join at this time, I remain incredibly hopeful and optimistic about the future.

This experience has only fueled my passion and commitment to our shared goals. I am eager to continue supporting the board in any capacity that I can. Rest assured that I will continue to contribute positively to our community, inspired by the insights and knowledge I've gained during this journey.

Thank you once again for your consideration and for the important work that you all do. I look forward to future opportunities to collaborate and contribute.

Warm regards,
