

In the garden of knowledge, you sow the seeds,
Nurturing young minds, tending to their needs.
With patience and wisdom, you light up the way,
Guiding us gently, day by day.
In your classroom, dreams take flight,
You color the world with the purest light.
Each lesson a gift, each word a spark,
Igniting our hearts, leaving a lasting mark.
Through challenges faced, you stand strong and true,
Inspiring courage to see it through.
A beacon of hope, in your care we find,
The strength to grow, body, soul, and mind.
To all our teachers, with gratitude we say,
Your endless devotion lights up our way.
On this special day, we come together,
To celebrate you, now and forever.
