

Ladies and gentlemen,

Thank you all for gathering here today to celebrate this wonderful occasion. As I stand before you, my heart is filled with joy and gratitude. We're here to shower our beautiful daughter with love as she prepares to welcome her own little miracle into the world.

From the moment I first held you in my arms, my dear, I knew that life had given me the greatest gift. Watching you grow into the incredible woman you are today has been a journey beyond words. With each step you've taken, you have brought warmth and happiness to our lives.

Now, as you embark on this new chapter, I want you to know just how proud I am of you. You are going to be an amazing mother, full of warmth, compassion, and endless love. This little one is truly lucky to have you. I've no doubt that you will fill their life with laughter, lessons, and tender moments that they will cherish forever. Your kind heart and strength will guide them, just as it has guided all of us.

So, let us celebrate today not just the upcoming arrival of a new family member, but the wonderful journey of motherhood you're about to begin.

May you have all the support, joy, and love in this world as you embrace this beautiful path.

Thank you, everyone, for being here, supporting, and loving our daughter. We are incredibly blessed.

Congratulations, my dear. Here's to love, laughter, and the beautiful journey ahead.
