

Hey everyone!

I just wanted to take a quick minute to say how excited I am to be here celebrating [Parent's Name] and the soon-to-arrive baby [Baby's Name]! First off, look at this awesome crowd. You all show what a very loved little one this baby is coming into. [Parent's Name], you are going to be such amazing parents, and I can't wait to see this kid grow up surrounded by such love and fun.

Thank you all for being here, for bringing your good vibes, and for the wonderful gifts. Let's enjoy the food, the games, and each other's company!

Cheers to [Parent's Name] and baby [Baby's Name] -- we're all so, so happy for you!
