

My dear little one,

Today is such a special day, as we celebrate the beginning of your journey in this world. I promise to always love, protect, and guide you with all my heart. Your happiness will be my priority, and I will do everything in my power to help you grow into the wonderful person you are meant to be.

As you take this first step, know that you are surrounded by love, not just from me, but from everyone here who cares so deeply for you. I can't wait to watch you discover the world and to see all the amazing things you will do.

With all my love,

Mom
