Hello everyone,

I just want to take a moment to thank you all for being here today as we celebrate our new home. It's truly special to have our family together in a space that already feels like more than just four walls.

We couldn't have made it here without your love and support. From helping us move to lending your design advice, you've each been a wonderful part of our journey.

We hope that in this house we create many beautiful memories with all of you.

Let's eat, laugh, and create some new memories. Welcome to our home!

Thank you.
