

Good afternoon, everyone!

I just want to take a moment to thank you all for being here today. It means so much to have my closest family around as we celebrate this new chapter.

As we settle into our new home, I'm filled with warmth knowing that it's not just bricks and mortar but a place where memories will be made with the people I love. I'm grateful to each and everyone for your support, love, and laughter. Your presence truly makes this house a home.

So, let's raise a glass to new beginnings, shared stories, and countless family gatherings. Here's to creating beautiful memories together in this new space. Thank you for being an essential part of our lives!

Cheers to family and home!
