

Ladies and gentlemen,

Welcome to our home! We are overjoyed to have each and every one of you here to celebrate this special occasion with us. Moving into this beautiful house is a dream come true, and it wouldn't be complete without the presence of our closest family and friends.

As we stand in this new chapter of our lives, we are filled with gratitude and excitement. We hope our home becomes a place of warmth, laughter, and cherished memories, not only for our family but for all who enter its doors.

Please, enjoy yourselves, make new memories with us tonight, and know that you are always welcome here. Thank you for being a part of this joyous celebration.

Cheers to new beginnings!

Thank you.
