Hey everyone! Thanks so much for being here and warming up our new place with your awesome vibes. Just a couple weeks ago, the biggest decision we had to make was who gets which room. I'm glad we all survived that without resorting to a pillow fight! Let's make it official: we are now roomies...with more snacks and dirty dishes than adults should admit to. Here's to great conversations, spontaneous pizza nights, and pretending we know how to fix that leaky faucet. Just remember, what happens in the apartment, stays in the apartment--especially movie marathon embarrassments. I'm looking forward to sharing this adventure with all of you. Let's make this place feel like home and the Wi-Fi password impossible to remember. Cheers to this awesome new chapter together! [Raises glass] Cheers!
