

Ladies and gentlemen,

I want to thank each and every one of you for being here today to help me celebrate not just a new house, but a new chapter in my life. As I stand here in my own space, I can't help but embrace the true bachelor lifestyle that comes with it!

This house is more than just walls and a roof--it's a haven for spontaneous pizza nights, loud music, late-night video gaming, and endless laughter with friends like you. It's about freedom and embracing who I am, as messy or as organized as that might be.

So let's toast to being ourselves, to making unforgettable memories, and to living life on our own terms. Cheers to the bachelor life and to many great times ahead in this awesome new pad!

Thank you all for being a part of this journey with me. Now, let's have some fun! Cheers!
