

Ladies and gentlemen, friends and neighbors,  
Thank you for gathering here today. Standing before you is truly humbling, and I am deeply grateful for the opportunity to speak with you all.

I love our community--every small business, every park, and every familiar face that makes this place home. It is not a pursuit of personal ambition that brings me here but a sincere desire to contribute to the fabric of our daily lives. I am just one voice among many, and it is your voices that drive my passion to serve.

If elected, I will work diligently, with openness and honesty. I don't claim to have all the answers, but I promise to listen, to learn, and to represent our community's needs faithfully.

Together, I believe we can make a difference. Thank you for considering me. I am truly honored.

Thank you.
