

Ladies and gentlemen,

Thank you for taking the time to gather here today. I stand before you with a heavy heart and a sincere desire to express my deepest remorse. In our partnership, there have been instances where my actions or decisions may not have aligned with our values or expectations. I acknowledge the impact these may have had on our collaboration and on you personally.

I want to assure you that it was never my intent to cause any disappointment or harm. I take full responsibility for my actions and am committed to making things right.

Moving forward, I am dedicated to improving and ensuring that our partnership remains strong and productive. Your trust is important to me, and I am willing to work tirelessly to rebuild it.

Thank you for your understanding and for giving me the opportunity to address this matter openly. Let us continue working together with renewed commitment and mutual respect.

With sincere apologies,
