

Hello everyone,

I just wanted to take a moment to address something that happened earlier. I realize there was a misunderstanding, and I regret any confusion or hurt that may have caused. My intention was never to upset anyone, and I'm truly sorry if it seemed that way.

Family is very important to me, and I value our time together. I hope we can move past this and enjoy the rest of our gathering. Thank you for your patience and understanding.

Let's make some great memories today!

With love,
