

****Outline for Alumni Event Speech:****

1. **Introduction**

- Warm welcome to all attendees
- Lighthearted remark about how everyone has aged gracefully (mostly)

2. **Recollections of School Days**

- Funny anecdotes about campus life, like sneaking into the library for... not studying
- The infamous cafeteria food that somehow managed to become nostalgia-worthy

3. **Teachers and Staff**

- Humorous impressions of some beloved teachers
- Shoutout to the gym teacher who believed everyone was an Olympian in disguise

4. **Classroom Adventures**

- Remembering the epic annual debate competition where facts sometimes took a creative detour
- The time someone accidentally set off the fire alarm (and pretended they didn't)

5. **Social Life and Extracurriculars**

- Recalling the mystery of how the school dance playlist was always a decade behind
- The legendary road trip for the away game, including the "diet" that consisted solely of snack foods

6. **Life After Graduation**

- The secret pact that we'd all do something incredible, and how we've absolutely done it in our own unique ways
- Humorous nod to still receiving alumni donation requests--now through email, not carrier pigeon

7. **Closing Remarks**

- Gratitude for lasting friendships and memories
- Motivational quip about how, thanks to those days, we can survive anything life throws at us--like this speech!
- Invite everyone to the after-party, pretending it's the '90s again

8. **Conclusion**

- Thank everyone for coming and encouraging them to stay in touch for more memories
