

Ladies and gentlemen,

I stand before you today feeling incredibly humbled and honored. This award is not just a recognition of my efforts, but a testament to the power of our community coming together to make a difference.

When I started this journey, I was fueled by the support and encouragement from each one of you. The real heroes are those who volunteer their time, lend a helping hand, and spread kindness throughout our community. This award belongs to all of us.

I want to express my deepest gratitude to my family, friends, and all the volunteers who have worked by my side. Without your unwavering support, none of this would have been possible.

Let us continue to inspire and uplift one another, always remembering that a stronger community is built through compassion and cooperation.

Thank you for this incredible honor. Together, we can achieve great things.

Thank you.
