

Ladies and gentlemen, boys and girls, cats and dogs, thank you all for being here today to celebrate this amazing milestone!

Today, we gather not only to cut some cake but also because there are free snacks. Kidding! We're here to honor [Name], who is turning [Age] and still manages to look like they've just turned twenty-one!

[Name], you've mastered the art of aging like a fine wine, though we all know you've been more of a sparkling champagne - full of bubbles, joy, and occasional pop!

To everyone who has joined us today: thank you for taking time out of your busy schedule of binge-watching your favorite shows just to celebrate this special person. Isn't it wonderful? The one day a year where we can embarrass [Name] with childhood photos and questionable fashion choices!

So let's raise our glasses and toast to [Name]. Here's to laughter, love, and not taking life too seriously as the years roll by. Happy Birthday!
