

Ladies and gentlemen,

I stand before you today with a heavy heart. I acknowledge that I made a mistake, and I understand that my actions have caused pain and disappointment. For this, I am deeply sorry.

I want to express my sincerest apologies to each and every one of you who has been affected. I am committed to making amends and learning from this experience so that it never happens again.

I humbly ask for your forgiveness and your understanding as I work to rebuild the trust that has been lost. Thank you for giving me the opportunity to address this and for your patience as I strive to be better.

Thank you.
