

Ladies and gentlemen,

If I may have a moment of your time, I'd like to speak from the heart about two incredibly special people--my parents. Looking back on my life, every step I've taken has been guided by their unwavering love and support.

Through every triumph and stumble, they have been my pillars of strength. It's hard to find the right words to express my gratitude for the countless sacrifices they've made. Mom, Dad, you taught me the true meaning of kindness, resilience, and selflessness.

I am who I am today because of you. My heart overflows with gratitude and love as I reflect on all those moments--big and small--that have shaped our journey together.

Thank you for being my guiding stars. I love you both more than words can say.
