

Ladies and gentlemen,

Thank you all for gathering here today. Our community has faced challenging times, but today we stand together, as we always have. Each one of us is here because we care deeply about our neighbors and want to help rebuild and restore what has been lost.

Together, we can make a difference. Your support, whether big or small, carries the power to bring comfort, to rebuild homes, and to restore hope to those affected. Let us show our collective strength and support for our neighbors, standing as one resilient community.

Thank you for your generosity and compassion. Together, we will rise and rebuild, stronger than ever.

Thank you.
