

Ladies and gentlemen,

Thank you for joining us this evening as we gather to honor and uplift the brave individuals who have served our nation with unwavering dedication. Our veterans have not only stood as the bedrock of our freedoms but have also shown us the true spirit of service and sacrifice. Tonight, we have an extraordinary opportunity to give back to those who have given so much for us. Every contribution made this evening will be a step towards building a brighter future, ensuring that our veterans receive the support and resources they so rightfully deserve.

Imagine a future where every veteran has the resources to transition smoothly to civilian life, where every hero finds the path to prosperity they've earned. Together, we can make this vision a reality.

Your generosity tonight is more than just a donation. It's a powerful vote of confidence in the prosperity that we can create together--a future where our veterans not only survive but thrive.

Thank you for your compassion, your support, and for standing together with our nation's heroes. Together, we will build a better tomorrow.

Thank you.
