

Title: Dedication

Esteemed Members of the Academic Community,

As I present my thesis, I would like to dedicate this work to those who have significantly influenced my academic journey. To my family, for their unwavering support and encouragement throughout the years--it is their belief in my capabilities that has propelled me forward.

To my esteemed advisor, whose wisdom, guidance, and expertise have been invaluable in shaping the direction and outcomes of this research. Your patience and dedication have been a constant source of motivation.

Furthermore, I wish to dedicate this work to my peers and colleagues, whose camaraderie and shared passion for knowledge have enriched my academic experience.

Lastly, to the broader academic community and future scholars, may this work contribute to the ongoing pursuit of knowledge and understanding within our field.

Thank you.
