

[Your Partner's Name],

I hope you can find it in your heart to forgive me for forgetting our anniversary. I am truly sorry for overlooking such an important day in our lives. It was never my intention to make you feel less valued or cherished.

Please know that you mean the world to me, and I deeply regret not showing it on a day that's meant to celebrate us. I want to make it up to you and show you just how much I love you.

Thank you for your patience and understanding. I promise to do better and ensure that nothing comes in the way of our special moments again.

With all my love,
