

Ladies and gentlemen,

Thank you for joining us today in this important discussion on advocating for social justice and promoting youth agency. Social justice is the cornerstone of a fair and equitable society, and empowering our youth is crucial to achieving it.

Youth are the change-makers of today and tomorrow. We must provide them with opportunities to express their voices, participate in decision-making, and lead initiatives. By fostering an environment that values inclusivity and equality, we pave the way for innovative solutions to the challenges we face.

Let us commit to supporting young people in their quests for justice and equality. Together, we can build a future that is just, equitable, and inclusive for all. Thank you.
