

Good morning, everyone!

I hope you're all having a great day. I'm excited to share some upcoming events that we have planned for you.

First, we have our Annual Sports Day happening next Saturday, October 20th, at the main sports complex. It's a great opportunity to show off your skills, cheer for your friends, and have lots of fun. Make sure to sign up for your favorite events by this Friday.

Next up, we have a Science Fair scheduled for November 5th. This will be held in the auditorium from 10 AM to 3 PM. Whether you're a participant or just visiting, there's a lot to learn and explore. It's a chance to see some amazing projects and maybe even spark some new ideas for yourselves.

Lastly, don't forget about our Charity Bake Sale on November 10th. It's a wonderful way to support a good cause while enjoying some delicious treats. We're looking for volunteers to help out, so if you're interested, please let us know.

Please mark your calendars and stay tuned for more details on each of these events via our school newsletter and website.

Thank you for your attention, and let's make these events a great success together!
