

Ladies and gentlemen,

If I could have your attention, please! I promise to keep this short, just like the groom's ability to stay serious for more than a minute. For those who don't know me, I'm [Your Name], and I've had the pleasure of knowing [Bride] and [Groom] for many years. In fact, I've known [Groom] long enough to have witnessed some questionable hairstyle choices and even worse fashion decisions. But all that changed when he met [Bride]. Suddenly, he started wearing socks that matched, and his idea of a night out went from karaoke with a questionable falsetto to romantic dinners with scented candles.

Today, we celebrate a couple who complements each other perfectly. [Bride], you bring grace, wisdom, and a sense of direction to [Groom]'s life--something he desperately needed since he couldn't even find his way out of a paper bag without GPS.

[Groom], you've met your match in [Bride]. She is beautiful, smart, and patient--qualities I think you'll find come in very handy from this day forward.

So let's raise our glasses to love, laughter, and happily ever afters. May your life together be filled with adventure, joy, and just the right amount of embarrassing moments that will become cherished stories over the years.

To [Bride] and [Groom]!

Cheers!
