

Ladies and Gentlemen,

Good morning to all our wonderful parents, teachers, and especially, our shining stars, the graduates! Today is a very special day, a day we celebrate all the amazing things our little ones have learned and achieved in kindergarten.

Boys and girls, you have grown so much! You started the year as little explorers, curious and full of questions. And now, look at you--big, brave, and ready to discover the world of first grade. You have learned to read, count, share, and play together. Most importantly, you have made new friends and created memories that will last forever.

Parents, thank you for trusting us with your precious children and for being their first and most important teachers. Your support and love are what made this journey so incredible.

Teachers, thank you for your patience, dedication, and kindness. You have nurtured these young minds and hearts, and your impact will be remembered for years to come.

To our graduates, always stay curious, be kind, and believe in yourselves. The world is full of adventures waiting for you.

Congratulations, and keep shining bright!

Thank you.
