

Ladies and gentlemen, boys and girls,
Welcome to our colorful circus of friendship and fun! Today, we celebrate a big, big achievement--our kindergarten graduation!
Let's start with a giant round of applause for our stars of the day--the amazing kindergarten graduates! (Pause for applause) You have all learned so much! You can count to twenty, know your ABCs, and even tie your own shoelaces! That's super impressive!
Remember our jungle walks and dinosaur hunts on the playground? Or the rain dance in our Wellington boots? Oh, what fun we had!
And a big thank you to our incredible teachers, who made every day a magical adventure. Let's give them a big hand! (Pause for applause)
As we get ready to zoom into first grade, remember to keep shining as bright as your favorite superhero! Keep asking questions because you're all mini geniuses in the making!
Congratulations, class! You did it! Now, let's have a dance party!
Thank you, everyone! Let's keep this fun going!
