

Ladies and gentlemen,

Today, we gather to honor the remarkable individuals whose vision and dedication laid the foundation for this church community. It is a moment to reflect on their enduring legacy and the path they paved for future generations.

These founders, with unwavering faith and commitment, built not just a physical structure but a spiritual home that has nurtured countless souls over the years. They saw beyond the horizon, planting seeds of hope and love that have grown and flourished within us.

As we stand here today, we are reminded of the values they instilled--compassion, unity, and resilience. Their spirit continues to inspire us as we face new challenges and embrace new opportunities.

Let us carry forward their torch, lighting the way for those who come after us. May we honor their legacy by building bridges, fostering community, and spreading love just as they did.

To the founders, we express our deepest gratitude. Your dreams have become our reality, and we are privileged to continue the journey you began.

Thank you.
