

Ladies and gentlemen, gather near,  
A joyous tale you're about to hear.  
Two hearts in harmony, two souls as one,  
A new life together has just begun.  
Under the sun and the moon's gentle light,  
They have pledged their love, shining bright.  
With whispered vows, soft and sweet,  
Their journey together is now complete.  
Join us to celebrate this wondrous day,  
As love leads them on their destined way.  
Cheers to the couple, forever divine,  
In love's embrace, may they always shine.
