

Good morning, beloved community,

It is with a heart full of love and a spirit of hope that I stand before you today to announce a special program that speaks to the very core of our mission as a church family. We are excited to introduce our upcoming "Hearts in Action" Compassionate Outreach Program, set to begin this coming month.

This initiative is dedicated to serving our neighbors and reaching out to those in need with our collective spirit of kindness and generosity. We are called to be the hands and feet of compassion, and this program offers us a wonderful opportunity to live that call.

We will be organizing a series of outreach activities, including community service projects, food drives, and support for local shelters. These efforts are designed to bring hope and healing to those who may feel forgotten or overlooked in our society.

I invite each of you to join us in this important work. Whether through volunteering your time, donating resources, or simply offering your prayers, every act of support makes a difference.

Let us come together as one family, united in our commitment to spreading love and making a meaningful impact in our community. Sign-up sheets and more information are available at the back of the church, and our team is here to answer any questions you might have.

Thank you for your open hearts and for being part of this journey of compassion and service. Together, we can truly make a difference.

God bless you all.
