

Ladies and Gentlemen, Brothers and Sisters in Faith,  
It is with great joy and excitement that I stand before you today to announce a wonderful opportunity for us to come together as a family in Christ. On the first weekend of next month, we will be hosting our Annual Church Unity Weekend!

This event is a time for fellowship, worship, and growth. We'll kick off with a community dinner on Friday evening, followed by an inspiring service. Saturday will be filled with workshops and activities that cater to all ages, focusing on strengthening our bonds and deepening our faith. We are blessed to have guest speakers who will share their wisdom and encourage us on our collective journey. Sunday will culminate with a special Unity Worship Service where our voices will rise as one, celebrating the love and grace that bind us together.

This is not just a program but a chance to embrace our shared mission and to support one another in faith and love. Let us come together in spirit and truth, and uplift each other in unity. Mark your calendars and invite your friends and family to join us. Together, let's make this Church Unity Weekend a memorable and transformative experience.

Let us uplift our hearts and join as one. Thank you, and God bless you all!
