

Ladies and gentlemen,

Today, we gather here to celebrate a momentous occasion--no, not the discovery of free donuts in the break room--but the promotion of our very own [Employee's Name]!

For those who don't know [Employee's Name], they've been working hard, or at least pretending to, for quite some time now. We've all been witness to their incredible ability to make even the most complicated tasks look like a breeze. Or at least make it look like someone else's breeze!

[Employee's Name], we've seen your dedication, your commitment, and your mysteriously half-empty coffee mug that you swear you just filled. It's this kind of curiosity and ambition that propels our team forward--even if it's mostly towards the coffee machine.

In your new role, we have no doubt that you will continue to shine, inspire, and maybe even finally get around to fixing that paper jam in the printer. We're counting on you!

Congratulations, [Employee's Name], on this well-deserved promotion! We are all excited to see how you'll lead us into the future--or at the very least, lead us to lunch.

Here's to your continued success and more free coffee! Cheers!
