

Ladies and gentlemen,

We gather here today to honor and remember our dear friend Alex, whose passion for the environment touched us all. Alex's dedication to protecting our planet was nothing short of inspirational. Whether leading community clean-ups, planting trees, or advocating for sustainable policies, Alex was always at the forefront.

Many of us have vivid memories of Alex enthusiastically teaching us about recycling or sharing thrilling stories from hikes through local forests. Alex reminded us not only of the beauty of our natural world but also of our responsibility to preserve it for future generations.

As we say goodbye, let us carry forward Alex's legacy. Let us cherish the earth as Alex did and strive to make a positive impact, however small it may seem, just as Alex believed we could.

Thank you, Alex, for showing us the way, for your unwavering commitment, and for inspiring each of us to do our part.

We will miss you dearly.
