

Ladies and gentlemen,

If I could have your attention for just a moment, I promise to keep this short and sweet--like a cupcake!

Today, we gather not to say goodbye, but to celebrate the incredible moments we've shared and the new adventures that await. We've laughed until our sides hurt, tackled challenges like pros, and created memories that will last a lifetime.

Thank you to each one of you for the laughter, the support, and the occasional bad jokes. I'd like to think I've kept you on your toes! As I set sail on a new path, I will cherish our time together and promise to invite you over for a visit... if you bring dessert.

Let's raise a glass to past memories and future adventures. To my amazing colleagues: you're not just part of my career, you're part of my story.

Here's to new beginnings!

Cheers!
