

Ladies and gentlemen,

As I stand before you today, I am filled with a mixture of emotions. Reflecting on my journey, I am reminded of the many years I've spent at this wonderful organization. It's been a place where I have grown not just professionally, but personally.

When I first walked through these doors, I was filled with ambition and hope, eager to learn and to contribute. Over the years, I've been incredibly lucky to work with some of the most talented and dedicated individuals, each of whom has taught me something valuable and helped shape the person I am today.

I look back on the countless projects we tackled together, the challenges we overcame, and the successes we celebrated. These memories are the treasures I will carry with me as I move into this new chapter of life.

I am deeply grateful for the friendships I have made here, friendships that I know will last a lifetime. Thank you to each and every one of you who has been a part of my journey. Your support, laughter, and camaraderie have made my career truly rewarding.

As I retire, I look forward to new adventures and possibilities, but I will always hold dear the moments and people that have made my career so meaningful.

Thank you for being a part of my life.
