

Ladies and gentlemen,

If I could have your attention, please! I promise not to keep you from the dance floor for too long. After all, nobody wants to hear me talk when there's cake waiting to be eaten and embarrassing dance moves to be proudly displayed.

We've all gathered here today to celebrate the engagement of [Name] and [Name]. Now, I have to say, watching these two fall in love has been a joy for all of us. It was clear from the start that they were meant to be together. Well, either that or they just really liked sharing their Netflix passwords.

I remember when [Name] first told me about this wonderful person they met and how they spent hours telling me about their amazing [insert humorous characteristic] skills. Truly, it was a match made in... well, maybe not heaven, but definitely a halfway-decent dating app.

As we celebrate their engagement today, let's raise a toast! Here's to a future filled with love, laughter, and the occasional debate over which way the toilet paper should hang--over or under.

May your life together be filled with joy, may your arguments be short, and may your Wi-Fi be strong.

Cheers to [Name] and [Name]!

Thank you, everyone! Now, let's party!
